3. Private Placement

The company in the previous year closed a private placement of 8% unsecured convertible debentures for gross proceeds of \$500,000. The proceeds of the private placement will be used for general working capital and exploration and development.

Each Debenture is convertible into a unit, each unit comprised of one Common Share of the Company and one Common Share Purchase Warrant. The Debentures are convertible at the option of the holder until 5:00 p.m. on December 18, 2003. Each Purchase Warrant, in turn, entitles the holder to acquire one Common Share of the Company at an exercise price of \$0.30 per share until 5:00 p.m. on December 18, 2003.

The Debentures and the underlying securities are subject to a statutory and exchange hold periods.

4. Exploration Activities

The Company has entered into leases on four mineral exploration properties in the Carlin Trend and the Battle Mountain-Eureka Trend in northern Nevada: the Rock Creek-South Silver Cloud Gold-Silver property, the Santa Renia Gold-Silver property, the Woodruff/Tonka Gold-Silver property and the Elephant Gold-Silver property.

The terms of the arms-length leases with Carl A. and Janet L. Pescio of Elko, Nevada call for first-year advance minimum royalty (AMR) payments of US\$20,000 per property (of which an aggregate of \$26,667 has been pre-paid). In addition, the Company is responsible for an aggregate of US\$132,978 of initial staking costs and holding and filing fees (of which approximately US\$103,041 has been pre-paid). In addition, the Pescios have been issued an aggregate of 297,536 common shares of the Company in connection with the leases.

In the event the Company proceeds with exploration on a property after the first year, the following additional AMR payments would be due in respect of such property: US\$30,000 on the first anniversary, US\$40,000 on the second anniversary, US\$55,000 and 50,000 common shares on the third anniversary, US\$75,000 on the fourth anniversary, US\$100,000 on the fifth anniversary and US\$150,000 on the sixth and subsequent anniversaries thereafter. The Company may terminate the lease on a property on 30 days notice, subject to certain conditions.

(Unaudited)

The AMR payments are to be deducted from a 3% Net Smelter Royalty (NSR) retained by the vendors on each of the properties. The Company may purchase one of the percentage points on the NSR up to the time of commencement of production on a property for US\$1,000,000.

The Company intends to proceed with initial exploration on the "Rock Creek Target" of the Rock-Creek-South Silver Cloud property and the "Section 32 Gold-Copper Silver Target" of the Elephant property. The initial exploration budget totals US\$138,950.

5. Related party transaction

Leonard J. Taylor, president and a director, was paid consulting fees during the six months ended May 31st, 2003 in total amount of \$12,500.

6. Change of business

- a) The TSX Venture Exchange has accepted the Company's "change of business" from an investment issuer to a mining issuer. In addition, the Exchange has advised the Company that effective February 24, 2003 the Company's Tier Classification was changed from Tier 3 to Tier 2 and the Exchange changed the Company's status from an inactive to an active issuer on the Exchange.
- b) Under the terms of the Company's change of business, an aggregate of 2,963,000 common shares of the Company owned by three of its directors are subject to escrow based on a timed release over 18-months.
