Mr. McAvity joined the Corporation's Board in 2004 and has effectively held the position of President and Chief Executive Officer since August, 2007. During his 11+ years with the Corporation Mr. McAvity has made enormous contributions to its exploration programs in both Nevada, USA and Red Lake, Ontario, through his vast experience in the mining industry, and to its financial situation particularly through his raising of flow-through funds for exploration and the provision of directors' loans for working capital purposes.
